GitHub   Portfolio   LinkedIn   Cairo - Egypt

Career Objective:

- Passionate **React Native developer** with a strong background in building cross-platform mobile applications. Skilled in creating user-centric, high-performance apps and integrating APIs to deliver seamless experiences. Eager to contribute to innovative projects and continuously enhance my technical expertise.

Technical Skills:

- **Programming Language**
  - Java Script
  - Python

- **Mobile Application Technologies**
  - React Native
  - Redux
  - React Hooks

- **Concepts**
  - OOP
  - AWS
  - Agile
  - Design Patterns

- **Front-End**
  - HTML-5 | CSS-3 | Bootstrap
  - React Native | React

- **Tools**
  - Git
  - Git Hub
  - Postman
  - Firebase

- **Other Skills**
  - Network Infrastructure
  - CCNA
  - Cyber Security Basics

Soft Skills:

- Communication
- Collaboration
- Progressive
- Presentation Skill
- Time Management
- Attention to Detail
- Critical Thinking
- Creativity
- interviewing skills
- Self-Motivation
- Troubleshooting

Work History:

- **React Native Developer**   **IBS**   *Online* `   *08/2024-12/2024*
  - Junior React Native Developer at Infinity Business Solution, responsible for designing and implementing front-end features and ensuring seamless API integration to deliver high-quality mobile applications.

- **React Native Developer**   **Camp Coding**   *Tanta-Egypt*   *08/2023 -02/2024*
  - Junior React Native Developer at Infinity Business Solution, responsible for designing and implementing front-end features and ensuring seamless API integration to deliver high-quality mobile applications.

Internship History:

- **Front-End and Cross Platform Mobile App**   **ITI**   *Benha-Egypt*   *05/2024 – 09/2024*

- Successfully completed the ITI Scholarship in Front-End and Cross-Platform Mobile App Development, gaining comprehensive knowledge in building responsive web interfaces and cross-platform mobile applications.
- Developed expertise in modern frameworks, best practices, and tools to create seamless user experiences.

- **Fundamentals of Infrastructure, System and cybersecurity** — **MCIT** — *Giza-Egypt* — *07/2022 -09/2022*

  - Developed a solid foundation in cybersecurity, cloud computing, wireless technologies, and networking. Proficient in implementing secure systems, managing cloud environments, and optimizing network performance.

- **React Native Development** — **Camp Coding** — *Tanta-Egypt* — *10/2021 -06/2022*

  - Acquired in-depth experience in developing robust and scalable mobile applications using React Native. Proficient in implementing intuitive user interfaces and optimizing app performance for seamless cross-platform functionality.

Education:

1) **ITI 4-month diploma In Front-End and cross Platform** — Information Technology Institute — *benha-Egypt* — *05/2024 -09/2024*

2) **Bachelors in Information Technology** — Faculty of computers and information — *Tanta-Egypt* — *09/2019 -07/2023*
   - Major in Information Technology   • Very Good, GPA **3.3**
   - **graduation project:** Excellent

Projects:

- **Bloomify App**
  - Designed and developed a comprehensive e-commerce mobile application for selling flowers and bouquets. Implemented features for seamless browsing, secure transactions, and an intuitive user experience
- **Shoghl App**
  - Contributed to the design and development of the front-end for the Shoghl app, a job platform similar to Wuzzuf.
  - Focused on creating an intuitive and user-friendly interface to streamline job searching and application processes.
  - Ensured seamless functionality and optimized performance to deliver a superior user experience.
- **Clothes Website**
  - Developed a fully functional e-commerce mobile application for selling clothes, featuring intuitive navigation and a seamless shopping experience. Integrated secure payment systems and optimized performance for cross-platform compatibility.
- **Logistic App**

- Developed a mobile application designed for efficient furniture delivery services to clients across Saudi Arabia.
- Implemented features for seamless order tracking, secure payments, and real-time updates for an enhanced user experience.
- **Offline Note App**
  - Developed a fully functional note-taking application with features for adding, editing, and deleting notes.
  - Designed an intuitive user interface to enhance the ease of creating and managing notes efficiently.
  - Integrated data persistence for secure storage, ensuring smooth functionality across sessions.
- **Cypher App**
  - Developed a tool for converting plaintext to ciphertext and vice versa, implementing secure encryption and decryption processes

Certificates:

- **ITI 4-Month Program Certificate** by Information Technology Institute *(May 2024)*
- **Camp Coding React Native Certificate** by Camp Coding *(January 2022)*
- **Network infrastructure and cybersecurity** by MCIT Egypt *(August 2022)*

Languages:

- **Arabic: Native**
- **English: Very Good**

Personal Information:

- **Military Status: Exemption**
- **Birth Date: October 31, 2000**

Volunteering:

- **Hayah Kareema Initiative:** Participated in organizing the 2023 presidential elections.
