Work History:

- **Front-End & IT Specialist** MNU *Menofia-Egypt`* *06/2025-present*
 - Responsible for building high-quality user interfaces, integrating APIs, and ensuring smooth technical performance across projects.
- **React Native Developer** IBS *Online `* *08/2024-12/2024*
 - Junior React Native Developer at Infinity Business Solution, responsible for designing and implementing front-end features and ensuring seamless API integration to deliver high-quality mobile applications.
- **React Native Developer** Camp Coding *Tanta-Egypt* *08/2023 -02/2024*
 - Junior React Native Developer at Infinity Business Solution, responsible for designing and implementing front-end features and ensuring seamless API integration to deliver high-quality mobile applications

Internship History:

- **Front-End and Cross Platform Mobile App** ITI *Benha-Egypt* *05/2024 – 09/2024*
 - Successfully completed the ITI Scholarship in Front-End and Cross-Platform Mobile App Development, gaining comprehensive knowledge in building responsive web interfaces and cross-platform mobile applications.
 - Developed expertise in modern frameworks, best practices, and tools to create seamless user experiences.
- **Fundamentals of Infrastructure, System and cybersecurity** MCIT *Giza-Egypt* *07/2022 -09/2022*
 - Developed a solid foundation in cybersecurity, cloud computing, wireless technologies, and networking. Proficient in implementing secure systems, managing cloud environments, and optimizing network performance.
- **React Native Development** Camp Coding *Tanta-Egypt* *10/2021 -06/2022*
 - Acquired in-depth experience in developing robust and scalable mobile applications using React Native. Proficient in implementing intuitive user interfaces and optimizing app performance for seamless cross-platform functionality.

Education:

- 1) **ITI 4-month diploma** Information Technology Institute *benha-Egypt* *05/2024 -09/2024*
In Front-End and cross Platform
- 2) **Bachelors in Information Technology** Faculty of computers and information *Tanta-Egypt* *09/2019 -07/2023*
 - Major in Information Technology • Very Good, GPA **3.3**
 - **graduation project:** Excellent

Projects:

- **Bloomify App**
 - Designed and developed a comprehensive e-commerce mobile application for selling flowers and bouquets. Implemented features for seamless browsing, secure transactions, and an intuitive user experience
- **Shoghl App**
 - Contributed to the design and development of the front-end for the Shoghl app, a job platform similar to Wuzzuf.
 - Focused on creating an intuitive and user-friendly interface to streamline job searching and application processes.
 - Ensured seamless functionality and optimized performance to deliver a superior user experience.

- **Clothes Website**
 - Developed a fully functional e-commerce mobile application for selling clothes, featuring intuitive navigation and a seamless shopping experience. Integrated secure payment systems and optimized performance for cross-platform compatibility.
- **Logistic App**
 - Developed a mobile application designed for efficient furniture delivery services to clients across Saudi Arabia.
 - Implemented features for seamless order tracking, secure payments, and real-time updates for an enhanced user experience.
- **Examiners Distribution System**
 - A system designed to automate the assignment of exam invigilators to committees based on age, location, time, attendance, and their specific roles—such as chief examiner, deputy, or regular invigilator. It generates detailed reports for each examiner across all exam periods, including attendance times, committees attended, total working hours, and calculates their hourly rates and overall compensation.
- **Cards Printing System**
 - Is a web-based platform that allows students to upload personal photos for ID cards with automatic validation and feedback. It includes an admin dashboard to manage student data, review and print ID cards, and track printing status efficiently.

Certificates:

- **ITI 4-Month Program Certificate** by Information Technology Institute *(May 2024)*
- **Camp Coding React Native Certificate** by Camp Coding *(January 2022)*
- **Network infrastructure and cybersecurity** by MCIT Egypt *(August 2022)*

Languages:

- **Arabic:** Native
- **English:** Very Good

Personal Information:

- **Military Status:** Exemption
- **Birth Date:** October 31, 2000

Volunteering:

- **Hayah Kareema Initiative:** Participated in organizing the 2023 presidential elections.
